

Life. The only option.

Dear Pastor:

January 22 marks the tragic anniversary of *Roe v. Wade*, the day America made it legal to kill an unborn child. It has become a tradition every January to remind our community that there are many Americans who have not accepted that court decision. Through educational Signature Ads in local newspapers and radio spots, we will spread the message of the dignity and value of each God-given life.

We invite you and the pro-life coordinator of your Church to join the 2010 Signature Ad Campaign. The enclosed information packet contains everything needed to easily collect signatures and educate your members about life issues. Included in the packet is a brief bulletin announcement to introduce the program and to encourage Church members to participate. Thank you so much for your courageous **yes** in standing up for the Innocent Unborn and their Mothers. **The Good News is that 558 babies were saved last year...**

*A comparison of the change in total and resident abortions
From 2007 to 2008 in six Ohio counties having 1000+ abortions in both years.*

The bad news is we still lost 3,109 little babies in our community to a horrible death. Together, with the help of our Lord and Savior, we will end abortion in our community. Your church is a significant part of achieving this goal. Consider becoming a Voice for the Voiceless to help build the Culture of Life! Sincerely yours for Life,
